

New York
Dec 8. 88

Dear Sir

I understand that a few of the Refined Silver Bars of the Electrical Refining Co have been sent to your Institution, will you kindly inform me if those stamped 1000. fine were sustained by you. It is a matter of professional pride to know from you how my efforts have turned out, to put upon the market a pure metal for manufacturing purposes.

This work has been done by the Moebius patents under my supervision.

yours &c
